Skills

- HTML
- CSS
- JavaScript
- React.JS
- Tailwind CSS

Projects

- **QuotesGenerator** |API based project

- **FitnessPro** |ReactJS API based project

- **SuperHero** | JavaScript and API based project

- **Tenzies** | ReactJS Game

I'm a front-end web developer who loves to develop beautiful and interactive user interfaces using the modern technology like ReactJS and Tailwind CSS, looking forward to enhance my skills by working on real projects.
